

Observation 12/16/14 Jessica

Verbal Cues

- raise your hand once you have a partner
- everyone quiet; eyes up here
- hold ball up in the air so I know you are done
- I need everyone quiet
- Eyes up front
- Look closely. Quietly this time.
- I am looking for your feedback.
- I don't want jokes. Just positive comments.
- I expect everyone to write one random act of kindness.

Ideas

- Set class expectations/rules
- Follow through on consequences.
- Voice needs to be a bit louder.
- Active engagement strategies
- Monitor by walking around.
- Be specific with directions.
- Set time limits on activities that are known before they start.
- Be careful how you word things - Put colored pencils in bag and throw in box up here.
