college and career fair

February 7, 2014 at 6:35 AM

Ms. Radmaker and Ms. Roethler,

I want to congratulate you on the college and career fair that you organized last evening. I was impressed with the turn out and excited to see so many different students and parents there. I am sure it was a lot of extra time for you to do this. The whole event was great for Colo-Nesco School District. Great Job! Enjoy your weekend.

Thank you,

Jon Cutler
