College/Job Fair

February 10, 2014 at 8:17 AM

I just wanted to let you know that you two did a great job with the college & job fair. I have received a lot a positive feedback from parents and staff. It was very impressive!!!

Also, great job on involving "vendors" from the community. It was awesome to see a lot of familiar faces at the booths. I am sure that they enjoyed it and were honored to be involved.
